

Blueprint 2018 for the creation of the people's paradise and the Global Agenda to achieve and maintain it

by Reni Sentana-Ries

The GLOBAL AGENDA of the Federation of Free Planets (Part 1 of 10)

Introduction by Reni Sentana-Ries, November 22, 2018

The “Global Agenda” was written by myself while I was in involuntary seclusion (2006) and have authored it with the intent of seeing it implemented (globally eventually) in the western world of North America and Europe to begin with.

*The energy for writing the way I did came from the fact that **an injustice was done to me by the power of a law which should never have been placed into the Canadian law books, a law which makes truth a culprit, so traitors and infiltrators can remain protected.***

That confinement gave me a pen of boldness which was necessary in light of the dire situation of mankind as a whole.

*Does the boldness of speech then make me a narcissist if I also refer to the “Office” I hold in realms of galactic High Councils? My answer is “No!” and your answer will be found in your response to the next series of publications here on Facebook under the heading of **THE GLOBAL AGENDA**. They will be diametrically opposed to the much hailed “New International Order” which I consider to be an elitist instrument for the entrenchment of global slavery.*

(The following was written in September 2006)

THE GLOBAL AGENDA

Introduction

(Addressed to commanders and admirals of all militaries, and to all national leaders.)

I am not running a democracy here! This is **dictatorship at its finest**. You will execute my orders or step aside for someone who will, for TO YOU THEY ARE THE LAW! You are now accountable to me and I will be the link to assure your accountability back to the people. I in turn report to the **High Council of the Federation of Free Planets** which has decreed that this mission must not fail! **The effect of our success will go far beyond this planet**, and I therefore trust no one except myself and Uthrania with an assignment of this magnitude.

I have said I am your Counselor. That is so, but now **I am also your General and Commander in Chief**, and in that sense **all issues raised here have become a military operation!**

(To the political leadership of nations I say): If you have gained power over the affairs of your nation through the process of elections and implement my orders I want you to remain in your office until you elect to step down at your own volition.

If you have been democratically elected and refuse to implement the laws of this agenda, you must step aside for one who will. **And in no wise will I permit any one to use religion or tradition as an excuse for failing to implement any of the matters spelled out in this agenda!**

You will recognize whether issues raised here apply to you and your nation, and you are at liberty to correct ills of similar nature at your own initiative.

Surround yourself with a team of likeminded men and women, and your people will love you in return for your collaboration with us.

Prepare for my first visit to you by having a SECURITY PANEL ready for me to meet with. The agenda itself will be released in manageable steps when I am out of this confinement and back on internet.

(Do not mind the futuristic flair of these writings. I realize we are not there yet, but mankind's survival depends on getting there! -Reni Sentana-Ries)

The GLOBAL AGENDA of the Federation of Free Planets (Part 1a)

Introduction by Reni Sentana-Ries, November 28, 2018

A transfer of control over the U.S. Military must happen, away from the Hidden Hand Family to that of myself. Failing it, this world is doomed.

(Copied from my records, created November 2006)

To all Military Generals of this Planet!

"Listen to Me, General!"

I believe that between Saddam's own claim of being back as **Nebuchadnezzar's** reincarnation and our sympathetic articles in defense of him, combined with our promise to lift Osama, the (...), onto the Throne of Russia, **the ruling establishment of Washington must have rediscovered the prophetic validity of Nebuchadnezzar's dream**, and in their madness sought an excuse before the public to kill both men by assailing their nations in order to prevent his prophecy from materializing.

And so we came to witness the destruction of impoverished Afghanistan and that of a potentially prosperous Iraq.

It is not so much that they are afraid of these two men; **they are afraid however of the rock hitting the King's statue at its feet of iron and clay with all its implications of filling the earth and the loss of their power!**

And so the downing of the **two towers in New York**, along with pinning the blame for it on the innocent, gave them that excuse. Iraq then was falsely accused of harboring weapons of mass destruction, providing the excuse before the American public to attack Iraq and kill Saddam.

The attack on the **Pentagon** building was to camouflage the origin of the attack on the towers. *(Well, not really. It was to destroy the computer containing evidence of over 2 trillion Dollars of misappropriated (unaccounted-for) funds. –R. S.-R., 2018).*

We were informed by the starship commanders of the Federation that **should Washington succeed to kill Osama, they (the starship commanders) would then destroy the entire earth.**

This left me without choice but to take command of the U.S. Military in order to prevent this murder from happening which would trigger the destruction of this planet together with its people on it. My command of the U.S. military would then also block Nebuchadnezzar's prophetic dream from being foiled by elements in Washington who understand prophecy, but unfortunately have run the affairs there until today in a rather debauched manner. While they may understand simple prophecy, they however do not understand the consequences to the world and themselves for a successful foiling of true prophecy.

In order for the rock to do its work of filling the earth, earth must be reintegrated into the FEDERATION OF FREE PLANETS. Yet only a reclamation of its people can make this possible **as they regain their long lost paradise.** What follows is the pathway leading to that outcome.

People, never in thousands of years have you come closer to achieving your exaltation into higher worlds of glorious existing than today, as you look upon the contents of this site. It operates to provide guidance and instructions to your leaders and to you, the people, who must insist that all demands on them contained herein are executed with military precision. Your lives and your future in bliss depend on it!

(This site was developed and completed in Ft. Saskatchewan and Grande Cache, Canada, November, 2006 AD.)

The GLOBAL AGENDA of the Federation of Free Planets (Part 1b)

Introduction by Reni Sentana-Ries, November 29, 2018

My main focus is on the governments of the Western World with particular attention on that of the United States.

*The affairs there are chaotic, and with **no control over the Pentagon!** That portion of the administration comes from the **Hidden Hand**, also called "**the Family**," who by the power of their money make sure that that institution (the Pentagon) NEVER falls into shortage of funds toward the achievements of their, the Hidden Hand globalist owners', goal of control and exploitation of mineral resources from all nations of this world. In order to not have that objective disrupted, they exercise control over the U.S. Military.*

To all Military Generals of this Planet, and to the public!

“The nonsense is over!”

(From my records of November 2006)

The nonsense is over! From now on we will be doing repair work to the nations!

I am Reni Sentana-Ries, your **Grande World Counselor** and one of earth’s representatives of the FEDERATION OF FREE PLANETS. My purpose for being here at this time, and for being in this position is **to be your leader in carefully guiding you toward and through the most precarious time you have ever seen.**

Much of it will not be easy, for earth is beginning to have convulsions from abuse of the past. But we are here now to let you have a taste of what you never had a taste of before: PARADISE. **This is essential for you to be emotionally prepared to enter into a completely new environment with your bodies intact** – an environment you have never seen before!

Since the level of conduct in that new environment into which you will be transported, is significantly above that in which you are living now, **it is mandatory that you taste paradise, for otherwise you will not go there!**

The great misconception religion has given you so far is to believe that paradise is what you enter into when you die. Not so! Paradise is what you build where you are, otherwise you cannot have it. You will stagger like a drunkard back and forth, fall over on your face, only to get up and stagger some more. (I’m speaking of successive incarnations here, if you get my meaning.)

Don’t think for one minute that you have not had a life stream on this earth before. Probably many, you just can’t remember, **and you are now at this moment here again to learn from us that which you failed in the past to learn, that is, to build your paradise in order to qualify for entry into the next level of your training on a higher plane, and move on in the experiencing of joy for being alive, as you owe it to yourselves!**

I will assist you in it, and so, what this website will do is, it will contain an **agenda**, sort of a things-to-do list with items for you, your leaders, and your Generals to implement in order to straighten out the mess you are in, and in that manner we will show you how to solve your problems.

I say “we”, for I am not alone in this. I have by my side **Uthrania** who has gifts going beyond those of my own. **We also draw from our connection to the Commanders of the Federation of Free Planets.**

Certain books in our possession we will publish for you to learn from, others we may not. Religiously we make no claims **except to say that Daniel interpreted King Nebuchadnezzar’s dream correctly in which President Saddam Hussein sees himself at both ends of the time scale.**

I also must state here to the dishonor of so-called Christian leaders of the United States that **the insane persecution on Osama bin Laden is a replica of what he went through 2000 years ago.** And therefore I have decided to honor my friend Osama by making him the heir to my Throne out of which I got bounced in the days of the 1917 Bolshevik Revolution. And that is all you inquirers need to know at this time, who seek a religious connection in all this.

We are not here to fulfill your doctrinal misconceptions but to instill upon you our assertion that **the time has come for your reclamation,** and that is enough.

I will also go into an agreement with hopefully all governments of this planet to provide for their people an **accurate translation of this site** into the languages their people speak in order that no one be left out of learning all matters essential for the progression of their souls. This may also be the case for **China** for as long as the Chinese people have not identified their own guide more familiar with their customs and traditions than I am.

I am the Chief Editor of this site. I write on any topic I wish. Any book we publish will be available on this site in .pdf format for free. Those of you who wish to have a copy from a publisher may acquire one from a book store. Our effort is not for gain but for making information available to you which you have not been aware of before.

We also have no secrets, for **anything we share with Government you will learn about from this site, and thereby we will restore accountability of Government back to you, the people.**

Should this site grow to become massive, then all will remain accessible to you by a set of links. Vital to the stability and performance of the economic order of paradise is the establishment of SECURITY PANEL in each country. Guidance for the initial set-up of these Panels you have under the link called “SECURITY PANEL.”

Be not alarmed when you find that its introduction alters governmental structure as well as shifts areas of jurisdiction. The powers assigned to this panel will only affect your present or future position of either regular or substantial public trust if in the Panel's unanimous opinion you as

leader misuse the power of your office detrimental to the interests of the people, and also in contravention to the principles of a paradisaical society. What these principles are you will learn from this site.

(End of quotation from my records of November 2006)

The GLOBAL AGENDA of the Federation of Free Planets - INTERPRETATIONS (Part 1c)

Introduction by Reni Sentana-Ries, December 1, 2018

The series “Restoring Paradise” is a reproduction here on Facebook from my website <http://freeearthssystem.net> . It’s meant for all those folks who freely browse around in my Facebook page, but never go into my two websites, and yet do not completely understand the purpose of my own and Uthrania’s public appearance at this time in mankind’s turmoiled history.

*Do not be offended if I base the authority of my words on an **Office** I hold via-a-vis the people and their need for a restoration back to true dignity at this time.*

For ascribing titles to my Office I make also no excuse because they have been given me through various readings and out of scribings, and therefore the validity of the Office I hold is independent on anyone’s recognition or approval.

The text following was developed in 2006.

The GLOBAL AGENDA - INTERPRETATIONS

SECURITY PANEL = A group of 12 men and 12 women in charge of national security pertaining to the paradisaical economic system. It is accountable to the High Council of the Federation of Free Planets.

WING OF THE ARMED NATIONAL POLICE FORCE IN CHARGE OF SECURITY, SURVEILLANCE AND ENFORCEMENT = A uniformed armed police force especially assigned to conduct surveillance, to which all other plain clothes undercover agencies are reporting. Reports to the SECURITY PANEL.

REGULAR ARMED NATIONAL POLICE FORCE = A uniformed armed police force in charge of all aspects of public order, excluding security surveillance. Reports to the national government.

THE GLOBAL AGENDA = A set of mandatory instructions to governments or Military Generals issued by the Grande World Counselor, Reni Sentana-Ries. It may also consist of teaching for the expansion of people's understanding.

OFFICE OF SUBSTANTIAL PUBLIC TRUST = A position held by any leader of a country, a president, prime minister, governor of a state or province, and mayors of cities and towns of over 24,000 residents. Initially accountable to the Grande World Counselor, later on to the SECURITY PANEL.

OFFICE OF REGULAR PUBLIC TRUST = Any position within the governmental structure below that of a national leader, president, premier, prime minister, governor or mayor. Reporting to the next level of authority above its own rank.

PLAIN CLOTHES SECURITY AGENCIES = i.e. CIA, NSA, CSE, CSIS, MI5, MI6, KGB. Reporting to the security wing of the armed national police force, but will be reformed into agencies with a new and wholesome philosophy.

THE NATIONAL MILITARY = Army, Navy, Air Force. Their generals report to the SECURITY PANEL, except for the U.S. and Russian militaries. The latter two report to the Grande World Counselor as their Commander-in-Chief, and after he has left the world scene will they report to their respective national SECURITY PANEL.

GENERALS = Top Military Admirals, Commanders, and Chiefs.

ROYALTY = Royalty distinction will become abolished in the New Era.

The GLOBAL AGENDA of the Federation of Free Planets (Part 2 of 10)

Introduction by Reni Sentana-Ries, November 23, 2018

*For the success of the mission to restore paradise back to the people (who have lost it eons ago), it becomes necessary **that the charge over the militaries of the western world be given to me!** And why is that so? Simply because at this time control rests with the Hidden Hand who in their own writings have assured that should there be ONE nation's leader not willing to submit to the bankers' control of the national military, they would find a way to recruit the militaries of other nations still under their control to make war on the one in insubordination!*

*So don't fret at me when my speech in this agenda recording is tough and straight forward! That is military style! **You military men either accept my authority, or perish, but understand that with your intransigence you will not only drag yourself down into a perdition, but also your family and the people of this world!***

*Bear in mind, and I repeat, paradise on earth cannot be restored in isolation of one nation from the rest! Under currently prevailing conditions one, or a small group of nations, attempting to break free would be destroyed by others still under the control of the Rothschilds. **Ideally the global transformation into the order of paradise should be happening by the consent of ALL and all at the same time.***

*In confirmation of what I have just said let me quote to you part of a conversation between a member of the **Above Top Secret** team and someone from the "**Hidden Hand Family**":*

(quote)

ATS (*Above Top Secret agent contact*): How do we become freemen?

HH (*Hidden Hand, member of the "Family"*): You will never be 'free' for as long as you are incarnating on this planet! The very nature of your being here is indication of that.

There is a reason why you are here, and 'here' is very likely not really where you think here is. How do you become free? By working out where you are, and coming to an understanding, of why you are here!

You are fast running out of time to do so before the coming Harvest. Those that don't make it, will have to repeat the cycle.

ATS: Is the Messiah alive today?

HH (Hidden Hand): There is no "Messiah". Stop looking outside of yourself for 'salvation'! Is there what you might call a 'Christ Consciousness' alive, then yes, in a manner of speaking. Though not in your 3rd Density awareness. Our realms of influence do not fit as comfortably into the three boxes of your triangle as you may imagine.

There are six disciplines of training within the Family, and each member of the Family is schooled extensively in all of them, from early childhood. We all have an area of specialty, though we have experience in all spheres.

The six spheres or 'schools' of learning are Military, Government, Spiritual, Scholarship, Leadership, and Sciences. In practice, out there on the 'stage' of public life, we hold key positions in all of these main areas of importance!

With the addition of a complicit Media machine and ownership of your Financial establishments all bases are covered!

(End quote from the "Dialogue with the Hidden Hand)

(Taken from my records of October 2006 (futuristic, by Reni Sentana-Ries))

Introduction to Agenda Item 1

To all military generals of the United States of America and all generals or military commanders from all nations of the world do I speak now:

Although I have written items 1 to 3 as distinctly separate packages, they, as best as you can, must be implemented simultaneously. "Why?" you may ask. **BECAUSE THE ONES WHO CONTROLLED MONEY AND GOLD OF THE PAST ARE THE SAME WHO ALSO CONTROL THE ATOMIC BOMBS OF THE PRESENT, AND THE MOMENT YOU ATTEMPT TO WRESTLE THE POWER OF MONEY AND GOLD AWAY FROM THEM IS THE TIME THEY WOULD WISH TO TAKE YOU AND THE WORLD DOWN WITH THEM. DON'T LET THEM!**
BE UNITED!!

On their tombstones I want you to place the following mandatory inscription:

"Only the stars in their wisdom gain prudence to rule over us, for we are the epitome of their glory."

I also want you to secure all H-bombs they placed in tectonic fault lines.

Agenda Item 1: The Lion of Judah is also the Commander in Chief!

My first item goes to **all military generals of the United States** and for the time being also of Russia:

I herewith put the **Army, Navy and Air Force** and all their personnel on notice that today (date yet to be inserted) I am assuming control over your forces as your Commander in Chief.

This office therefore no longer belongs to the current President of the United States nor to that of the presidency of Mr. Putin of Russia. The transition of power is official and immediate, and will become visible to the world when you generals follow my orders after your introduction into the contents of this site, and after you interpreted the signature to my authority correctly: “Conspiracy Corrupt Unfolded” is completed, and now I want you to “Listen to Me, General!”

As your Chief Commander I want you to bring the “boys” home out of Afghanistan and Iraq, and if the power brokers of Rumsfeld and Co. don’t like it, arrest them when you get home. And tell them from me: “The nonsense is over!”

Tell your troop to stop the persecution of Osama bin Laden, and when he comes out of hiding, for heaven’s sake, keep him safe! Also bring Saddam with you when you leave Iraq to make sure he is safe. Uthrania and I wish to meet with both of them. Saddam we will take back to Iraq ourselves.

This is not a coup, for you still are under my command. It is a mere shift of power from the incompetent and irresponsible to the competent and responsible. Your compliance I will report back to the High Council of the Federation of Free Planets, and they will honour you for it.

Your next assignment will be at home, which will not cost the blood of your men! Agenda items beyond 24 I will release when I get out of this prison they keep me in.

One more thing: Do you remember **Marvin** with his big motorcycle from 1995 in Arizona? He loved the soup I made him and could not get himself to do the deed. Good man that he is! He still had a heart! Say hello to him from us the next time you see him. We should have followed his advice to get out of there sooner.

Oh, and don’t forget to surround the Pentagon building with your forces just in case there are folks in there trying to give you trouble.

Wherever you generals go when back in the United States, be seen surrounded by loyal armed troops, and make it a priority to knock at the office doors to all chiefs of police and security

forces throughout the country. If anyone of them think that what you do is unconstitutional and indictable, and that you should be arrested for what you are doing, then relieve them from their posts and find someone among them who is still level-headed. Just don't put up with nonsense any more!

I also want them to tell you what they have done with our personal belongings which we were forced to leave behind in Tempe when we had to flee the country back into Canada, penniless. Jim Lawless knows all about that.

While you are talking to the agents there, please let them tell you as well to whom the treasure of gold coins belongs that was carted away from the Bank of Nova Scotia out from underneath the rubble of one of the towers in New York in 2001.

That's all for now. Be dismissed.

Supplementary Note to the GLOBAL AGENDA (Part 2a of 10)

Introduction by Reni Sentana-Ries, November 24, 2018

In my previous note (Part Two) on this facebook site I copied an excerpt from a question-and-answer session one of the Above Top Secret agents had in October 2008 with a member of the Hidden Hand group of the "Family" which by his own admission control at this time all facets of our human society world-wide.

The contact was sent by his group of 13 families to give their victims an opportunity to learn of what is really happening in their lives and why their lives are so miserable from perpetual slavery.

*Yet prior to 2008 a document was found which may have originated shortly after the **Protocols of the Elders of Zion** became leaked and published (and contested) in Switzerland some 120 years ago, but for the author of it we have no name.*

We dismiss its authenticity at the peril of our own souls, simply because the fulfillment from these diabolical pronouncements are all around us everywhere.

The Secret Covenant

(Author Unknown)

1. An illusion it will be, so large, so vast, it will escape their perception! Those who will see it will be thought of as insane. We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive.
2. Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.
3. We will work together always and will remain bound by blood and secrecy.
4. Death will come to he who speaks.
5. We will keep their lifespan short and their minds weak while pretending to do the opposite.
6. We will use our knowledge of science and technology in subtle ways so they will never see what is happening.
7. We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed by poisons everywhere they turn. The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear.
8. We will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine. We will render them docile and weak before us by our power.
9. Their minds will belong to us and they will do as we say. If they refuse we shall find ways to implement mind-altering technology into their lives.
10. We will use fear as our weapon.
11. We will establish their governments and establish opposites within. We will own both sides.
12. They will perform the labour for us and we shall prosper from their toil.

13. Our families will never mix with theirs. Our blood must be pure always, for it is the way.
14. We will make them kill each other when it suits us.
15. We will keep them separated from the oneness by dogma and religion.
16. We will control all aspects of their lives and tell them what to think and how.
17. We will guide them kindly and gently letting them think they are guiding themselves.
18. We will foment animosity between them through our factions.
19. When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.
20. We will make them rip each other's hearts apart and kill their own children.
21. They will bathe in their own blood and kill their neighbours for as long as we see fit.
22. We will benefit greatly from this, for they will not see us, for they cannot see us.
23. We will continue to prosper from their wars and their deaths.
24. We will make them live in fear and anger.
25. We will use all their tools we have to accomplish this. The tools will be provided by their labour.
26. We will make them hate themselves and their neighbours.
27. We will always hide the divine truth from them that we are all one. This they must never know!
28. Drop-by-drop; drop-by-drop we will advance our goal.
29. We will take over their land, resources and wealth to exercise total control over them.
30. We will deceive them into accepting laws that will steal the little freedom they will have.

31. We will establish a money system that will imprison them forever, keeping them and their children in debt.
32. When they shall ban together, we shall accuse them of crimes and present a different story to the world for we shall own all the media.
33. When they shall rise up against us we will crush them like insects, for they are less than that.
34. They will be helpless to do anything for they will have no weapons.
35. We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us.
36. The truth will be hidden in their face, so close they will not be able to focus on it until it's too late.
37. Oh yes, so grand the illusion of freedom will be that they will never know they are our slaves!
38. When all is in place, the reality we will have created for them will own them.
39. Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.
40. But if they ever find out they are our equal, we shall perish then. THIS THEY MUST NEVER KNOW!! If they ever find out that together they can vanquish us, they will take action!
41. They must never, ever find out what we have done, for if they do, we shall have no place to run. No one shall give us shelter.
42. This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.
43. This covenant is sealed by blood, *our* blood!

* * * * *

And now we present to you from our own records **The Despised Revolution** as a timely reprint:

"WE, OF THE ROYAL FACTION OF DEBAUCHED TANKARDS, DO HEREBY PLACE WITHIN OUR SEAL THAT MANDATORY STATEMENT OF FULFILLMENT, WHICH HAS LEFT US WITHOUT WORDS TO EVEN PROTECT OURSELVES WITHIN THE PLUMAGE OF DESPISED REVOLUTION!

"THIS, MY BROTHERS OF ELITIST FACTION, WAS IN FACT PLACED WITHIN OUR GRAVE SITE FOR ALL THOSE WHO MEDIATE AT THE FRONT, THAT FROM THIS POINT FORTH WE HEREBY BROADSIDE HAVE EXPOSED OURSELVES BY OUR VERY MANDATE.

"THE PEOPLE ARE WISE, IN THEY WILL PLACE ON OUR GRAVE SITES THAT EPITOME WHICH STATES VERY SIMPLY THAT 'ONLY THE STARS IN THEIR WISDOM GAIN PRUDENCE TO RULE OVER US, FOR WE ARE THE EPITOME OF THEIR GLORY!"

(Quotation by Commander HATONN, Esquire of the Nations. Scribed by Uthrania Seila in 1994)

The GLOBAL AGENDA of the Federation of Free Planets (Part 3 of 10)

Introduction by Reni Sentana-Ries, November 25, 2018

Agenda items 2 and 3 deal with gold and money, and I have made the militaries in charge of dealing with the institutions and people involved with the handling of those 2 matters from the viewpoint of ending the hoarding of gold by a few, as well as instructed the generals on how to proceed with beginning to close down the banking system and its related institutions in progressive steps.

Please bear in mind that with my following statements I am addressing a loyal group of Generals from the U.S. military.

Agenda Item 2: All Gold Must Turn to Dust!

Well done, Generals! This next assignment is for you as well. It must be executed in synchrony with all military generals of NATO, Australia, Israel and Russia. Tell Israeli IDF Commanders, that if they consider non-compliance with this operation, you will direct your guns at them! I have given the Israeli people a guarantee of safety, however, as with anything, that guarantee is conditional upon their cooperation with the new order we are now setting up for the people of this planet.

Of all affected nations it is mandatory that a possible objection by their political leaders be overruled, and tell the Generals to remove any leader or president who will not cooperate. That is an order. Also have the Generals identify whether the leaders' cooperation is sincere or faked and agreed to grudgingly. Those leaders I want also removed out of power and replaced by ones suited for the job we are doing.

Russia is bit of a special case in that I hope to retain President Putin as an ally. I need him for some future work there. Should he however object to what I want his military generals in Russia to do next, who are now under my command as well, then they must remove him from power at my order. And tell them this order to compliance comes from the former Czar of Russia who was assassinated after the 1917 Bolshevik revolution. They should be able to make a connection there.

Now, this is what I want done in as much synchrony as is physically possible throughout the United States, NATO countries, Australia, Israel, known offshore banking centers and Russia: In all affected nation states I want all known and unknown gold storage warehouses, like Ft. Knox, etc. identified and surrounded by tanks, armoured vehicles, and troop. I want all shipments of gold among storage centers halted, and all gold reserves secured, with release of gold only where required by the computer industry or other industrial applications.

Shipments of gold to the industry out of these warehouses I want tightly controlled in that quantities ordered must be a true reflection of industrial consumption and consumer needs. The gold itself will be free of charge except for shipping costs, I however expect to see industry pass the benefit of cost savings on to their consumers.

The global military siege around gold will last until I say otherwise. Central and South American countries, African countries, South East Asian countries, etc., are all obligated to participate in synchrony with this operation should they be able to identify gold storage facilities of similar kind in their own countries. Do not allow either leader or banker to starve the military of its cash in consequence of this action. Take charge of this matter also.

That is all. Be dismissed for now.

Agenda Item 3: The Military Siege on the Money System Begins

The next operation, Generals, is similar to agenda item two. Here again you must effect the cooperation of all other military generals throughout the same nations as before.

I want all central banks everywhere surrounded by military hardware like tanks, armoured vehicles, troop, etc. They must include those of the IMF, World Bank, Federal Reserve, IRS headquarters, Revenue Canada head quarters and branches, mortgage companies, finance companies, credit card companies, and whatever else collects taxes and issues credit translating into debt for the people.

Their smaller branches, of which there are very many, only require a small contingent of armed troop each. Initially this siege on the financial establishment will not result in interference to access by the public. Permit business as usual unless I say otherwise. However monitor the transactions of large sums of money aimed at undermining your own interests as a well funded force. Assure your own financial needs for the military as a first priority before any other consideration. Your financial platform must remain secure at all times. Arrest officials immediately who are found in efforts to starve the military of cash.

In conjunction with this action I want all known national and international bankers arrested, including all bank presidents worldwide, and placed in custody where they will be held and treated like any other inmate. They shall not be charged and tried for their crime of operating a global conspiracy by reason of the fact that all governments legitimized and condoned this activity, which I call high treason against the people. They shall however be stripped of all properties they have stolen with their money trick, including all gold they claim, and be removed from all mansions they live in with their families, and shall be put under replicated shelters to what Uthrania and I were forced to live in while we were in Two Hills, Alberta.

They and their posterity may never hold positions of public trust, and the surveillance on them shall be permanent, except in the privacy of their own hovels. They will be allowed to upgrade the shelters by themselves, but not expand on the size of either of the two buildings. Wood stoves is all they may have for heat. Their mobility shall be restricted to the equivalent of one tank of gasoline per week, and they shall be under a permanent travel ban identical to the effect their money had on ourselves.

I also want them locked into a work program for 8 hrs/day except for weekends. This arrangement shall apply to not only national and international bankers, but to all elite which I

will identify. The insiders of the Bilderbergers I want arrested and the Elders of Zion identified and hunted as Osama is at this time, should the organization of traitors to humanity still exist.

The arrival of military forces around these financial institutions will signal to all governments worldwide that from that date on there shall be no more payments made on national, state, provincial, municipal, city, town, school and hospital debts. I want all public debt falling under these categories erased and corresponding savings passed on to the people in tax reductions or improvements on services to the people.

I will give the people 30 days or less to observe the effects from these cancellations. Then I will announce new ones and permit them observation for perhaps another 30 days. During these 60 days I want an intense information campaign begun, making the people understand that the objective of these measures is to phase out the use of all currency, and that thereafter their contribution in maintaining an orderly flow of goods and services is mandatory in return for having free access to basic essentials of life in housing, clothing, food, transportation, consumer goods, etc., as all cash tills and ATM's will be removed and all banks closed permanently.

Tell the people that discipline will make it work for the good of all. I want the people to understand that access to consumer goods is both, a right, but also a privilege. A right in the sense that access cannot be denied without valid reasons, and a privilege in the sense that it cannot be demanded where supplies are limited or the distribution is unfair to others.

People must continue to work, the trains must keep rolling, power plants must not be shut down, factories must keep producing, farmers continue to plant and seed, houses must be built as needed, cars must be repaired by mechanics, and the refineries must continue to make fuel for cars, trucks, locomotives and airplanes. And all of the above requires people to display reliability in performing all these tasks as though they were paid.

I want them to learn from bees and ants. Where guidance is required, government officials will provide it and assure an orderly function of the liberated economic apparatus.

I thank you for your attention, Generals. You are now dismissed.

The GLOBAL AGENDA of the Federation of Free Planets (Part 4 of 10)

Introduction by Reni Sentana-Ries, November 25, 2018

This part 4 deals mainly with debt and tax payment cancellations and shows the effect they have on the purchasing power of the people.

When the inequity of wealth distribution is removed, then the poor and homeless will become some of the greatest beneficiaries of the new (yet ancient) order of an absolutely money-free society, and the people in general will be free to offer their talents for the total liberation of each other.

Please bear in mind that with my following statements I am addressing a loyal group of Generals from the U.S. Military.

Agenda Item 4: Debt Cancellations Begun

Roughly 30 days have passed, and you will have found the impact on your pocket books not to be overwhelming in that short space of time.

Hello, Generals, I am back to solicit your welcomed cooperation on the next pleasurable assignment which will result in a more dramatic impact on the spending power of the people. Your mission in this is to act as enforcers in demanding the cooperation of all banks and lending institutions. Non-compliance is not an option:

I demand from all banks and lending institutions, i.e. national banks, private banks, international banks, mortgage companies, finance companies, credit card companies, and tax collection centers, including any money institution I may have missed here, to inform in writing the entire spectrum of their clientele of debtors that all outstanding portions of their debts have been cancelled back to zero.

This covers the full range of balances on corporate loans, business loans, personal loans, farm debts, credit card balances, mortgages, outstanding tax balances, and fines. I herewith also put the people on notice that by my authority they are no longer obligated to make monthly payments on these debts.

I will closely observe the effect this measure has on the economy, draw my conclusions from that observation, and will decide the timing for the next step. I want the banking institutions however to confirm to you generals that all their customers have been notified by mail of all debt cancellations!

That is all, my friends. Be dismissed.

Agenda Item 5: Paradise Restored!

Hello, my loyal Generals, and everyone else who is listening!

You will have noticed an enormous increase in purchasing power combined with a dramatic reduction in cost to goods and services! Yet I hope it will not have escaped your attention that all this apparent prosperity and wealth has still not reached the destitute and homeless. There still are pockets of poverty and despair in the midst of all this abundance.

If the beneficiaries of debt relief are found only among those who have property BECAUSE they played the system “smartly” and in the end came out ahead when I wrote off their debts, then how has it blessed the homeless, the destitute and poor? Not at all, unless they are granted access to more soup kitchens or better cots to sleep on under the night sky. Ridiculous!

This situation is an insult to the intelligence of man! When costs approach zero and purchasing power becomes infinite, we have imbalance, and not inflation where those endowed with money lay exclusive claim on production, leaving out others that have no money still without access to the comforts of life! In other words: the appearance of prosperity has still not resolved the reality of poverty!

Now, Generals, this situation I want ended at midnight February 28, 2007. From March 2007 on there shall be no more money in circulation world-wide!! (Roughly 90 to 120 after initial implementation of reforming the system).

I want all businesses to remove their cash tills, ATM machines, I want the banks closed, insurance companies disbanded, tax collection centers shut down and recycle bins provided for the people to drop their cash off at. From then on we will build shelters for the poor that gives them dignified living, and they won't have to worry about utility bills, rent bills, and property tax invoices rolling in. They can then finally go to the supermarket and come home with healthy food to eat they never could afford before. Any vacant commercial building or residential house confiscated by any bank for non-payment of rent or mortgage payments will serve the poor for their next free shelter to get these dear people off the streets. And therein the man living in a mansion is not better off than his brother who the night before slept on a wooden bench exposed to elements of sleet and snow.

Money and gold have been the curse to all nations for thousands of years, and once that system of economy became entrenched, the people were ensnared and unable to free themselves from its evils. They simply did not know how, for others who profited from its presence would never agree to its abolition!

This time, people, you regained paradise without the shedding of blood! But be prepared to shed the blood of anyone who ever would dare rob you of it again!

What I have done for you this time I will never do again. I did not enjoy it. I lost the sympathy of friends and family members over this issue. The pathway to this accomplishment was full of rocks with sharp edges cutting my feet along the way. But spurred on by the need to make up for my failure to seek the welfare of the Russian people as the mightiest man of the Empire, I resolved to never let the people down again!

We are not finished yet, however. More work lies ahead. That's all, Generals. Go now, you are dismissed, and have fun with the "boys" target shooting at ATM machines...! (Loud laughter)

The GLOBAL AGENDA of the Federation of Free Planets (Part 5 of 10)

Introduction by Reni Sentana-Ries, November 26, 2018

In the absence of all forms of "money," the issue of property rights must be re-examined under the principle of ONE FOR ALL, AND ALL FOR ONE.

A stick of dynamite to possessions with the potential of giving livelihood to others by the legal "owner" will therefore not do, just because he had a bad day and intends to blow up what he owns.

Traditional "owners" of assets for the common good become custodians of property with no right to destroy what at one time was "theirs."

In my address to the Generals and the public I am explaining the new limitations of "property rights."

Agenda Item 6: Rights and Limitations of Ownership vis-à-vis Property Under Public Trust

With the disappearance of money an adjustment must be made to the traditional perception of ownership rights.

Under the new order the “owner” becomes the General Manager of his company while the assets of that company fall under the category of “Property under Public Trust.” It gives him the right to arrange the labour force within as he sees fit and the right to exchange old, outdated and worn production machinery and replace it with new, more reliable or faster machines.

When the time comes that he wishes to retire, he divests himself of the company and seeks an activity in life which gives him greater satisfaction and more pleasure than running his (or her) former company.

Now, the word “divest” has several meanings: to “sell off” does no longer apply, for there is no money for them to receive in exchange. The meanings we are looking for is to “deprive”, “dispossess”, “free”, or “rid.” “Dispossess” or “free” would be most fitting in our case. And here the previous owner would have two choices: he can either locate a competent man or woman from within or outside of his organization, or place his company on a government-run bulletin board where officials would then look for a suitable person in his stead.

The right he does NOT have is to send all employees home and tell the fire department to burn his buildings down with all the equipment in it. When he decided to “divest”, his company became property of public trust. Therein lies the limitation of an ownership right.

By the same token let’s assume the formerly wealthy owner lives in a mansion. His ownership right is to live there for as long as it pleases him. Should he ever come to conclude the place is too big for him to look after and keep clean and tidy, again, he has two options: He can either find someone himself whom he trusts to enjoy and look after it, or let an official from the government do it for him by listing his property on a public bulletin board as – not “for sale” - but being “vacant” or “available”.

The officials then in turn would in a responsible manner look for a new “owner” with ability to enjoy his mansion by keeping it neat and tidy and always in a good state of repair.

If the modest but elderly “owner” then cannot locate a bungalow suitable for him by himself among those advertised by other owners as “available”, then he should search through the listings kept up to date by officials from government and perhaps find a residence suitable to his liking in size and location, either “new” or “previously owned.” Either way, both, his company and home temporarily became “properties under public trust.”

I have a preferred auto mechanic by the name of “Mike.” I saw him struggle building up his own automobile repair shop, and he succeeded because he is good at what he does and rips no customers off. If Mike however prefers to run and operate the auto repair bays at Canadian Tire instead, because that position is advertised on a bulletin board as being “available” and more attractive to him, then he owes it to his clients to find a replacement for his small shop or put it up on a board as being “available.”

Since the impact of a possible closure of his “business” on the general public is not severe, unlike that of Mr. Gates owing Microsoft, Mike could also close his shop, and give his hoists and equipment away to someone else who has a purpose for it.

And in that manner life goes on under more relaxed and enjoyable conditions than having to worry about invoices, paperwork, debts, accounting, utility bills, tax collectors, lawyer fees and profit considerations. A first step of entry into paradise has been taken, giving all a mere taste of much more glorious things to come.

In Sirach, written in Hebrew 2200 years ago by a man whose name was Joshua, we read:

(Quote)

“Worrying about money will make you lose weight and lose sleep. Worrying about business will keep you from sleeping just as surely as a serious illness does!”

“Rich people work hard to make a lot of money; then they sit back and live in luxury. Poor people work hard and have nothing to show for it, and when they rest, they are still poor.”

“No one who loves money can be judged innocent; his efforts to get rich have led him into sin. Many have been ruined because of money, brought face to face with disaster. Money is a trap for those who are fascinated by it, a trap that every fool falls into.”

“A person who gets rich without sinfully chasing after money is fortunate. Do you know anyone like that? If so, we will congratulate him for performing a miracle that no one else has ever been able to do. If anyone has ever passed this test, he can be well proud.”

“Has anyone ever known that he could get away cheating someone, and not take advantage of it? If so, he deserves his wealth and everyone will praise him for his generosity.”

(End quote).

We are now at the threshold of a new era where there shall be no more money in use which has in the past created moral temptations to take liberal and unfair advantage of our brothers and sisters with whom we are One!

The GLOBAL AGENDA of the Federation of Free Planets (Part 6 of 10)

Introduction by Reni Sentana-Ries, November 27, 2018

*This agenda item simply deals with the **transfer of Command Authority** away from the location of where the orders for making war on people and nations are coming from now.*

Written in October 2006 and at that time futuristic, I make no apology for my intent of assuming control over the military of the United States, and, hopefully also those of all other nations.

***It is a necessary measure to unify the nations under the common and paradisaical auspices of the Federation of Free Planets** and that of the star ships with which their commanders have prepared themselves for the evacuation of all people before natural disasters strikes all the people dead.*

This address, like the other 5 before this one, is directed to the top “brass” of Admirals and Generals of the United States Military, with hopefully all other ones paying attention and listening in.

Agenda Item 7: A New Emblem for the Militaries

Hello, Generals, it is me again, Reni Sentana-Ries, your friend and Commander-in-Chief.

When we shall meet in person for the first time, I will give you an **emblem** which I want you to display on every piece of moving hardware belonging to the Army, Navy, and Air Force, as well as on the uniforms of their personnel.

I am not interested in dismantling your forces, and you shall from here on out never be known to fire a single shot in unwarranted aggression, and the emblem you proudly carry with you around the globe, bearing my name, shall **inspire confidence** to all people who see it, that you are there as invincible guardians of their new-found happy lives under the economic order of paradise!

Your forces will have the honour to bear it first, for you heeded my call to accept me for your Commander-in-Chief, however down the road of perhaps only a short time hence, other military forces around the world may wish to adopt it as well and signal to you their union with you as guardians of the people's happy lives.

Your mandate to shed blood, though, has not ended, and never will, seeing that you at times may be required to use deadly force in the defense of the true and newly established liberty of the people.

There will be zero tolerance from here on out for anyone plotting and scheming in secrecy to effect a fall from paradise into yet another era of tyranny through money and gold. This

is where your guns come into the picture to settle all such matters of what from here on out will be called **high treason**.

Paradise can only be shielded by strength and superiority combined. You may never have to fire a single shot again until time comes for evacuation into better ships than you travel on now. But your presence is needed to keep the foe at bay who is still lurking around in many nations' back yards, including that of your own!

Thank you for your attention.

And oh, for heaven's sake, rechristen some of your ships that are still named after political war mongers from the past. Also see if you can find some nicer names than calling some of your flying contraptions "Predator" or "Dominator." Perhaps you can in the future take the aggressive ring out of names you assign to your equipment.

Have a good day. You are now dismissed.

The GLOBAL AGENDA of the Federation of Free Planets (Part 7 of 10)

Introduction by Reni Sentana-Ries, November 27, 2018

*Never at any time have I been given charge over the people of **China**. They will have their own guide when the time comes. However the trade requirements for China with other nations call for a mechanism **OUTSIDE** of a cash/currency system as all other nations will by that time no longer operate on the outmoded format of a financial system.*

*And so I have taken the liberty to make **recommendations for China** which their leaders can implement at their own discretion.*

Agenda Item 10: To the Leaders of the Government of China (October 2006)

Hello, my distinguished friends in the great land of China.

You will have noticed that no directive I have issued here I ever made binding on you and your people, and neither will I in the future. My mandate does not include China. Our own information on you indicates that your people will have their own guide. Whether at this time you have been able to identify who it is, I do not know.

However when that individual comes forward, be kind to him or her, and place no barrier between that person and the people. He or she will be no threat to your power of rule over the people of China, but bear in mind that you and your people must be prepared for the upcoming global evacuation just as much as we ourselves must be.

In my own writings on this website I have called the process of our people's preparation a reclamation. Since the timing for the end of this world is the same for all of us, I strongly advise you to participate in scrapping your money system as well. You and your people cannot survive as an island left behind where money is still in use as a basis for the exchange of goods and services you call "trade."

My concern here is two-fold:

- a) you can no longer be paid for any of your exports, and
- b) the survival of your people makes an uninterrupted flow of imports necessary for which you no longer can pay us, since ***our*** money use has become obsolete.

However, in the absence of money at *your* end also, your economic needs for the future in terms of imported raw materials, etc. will remain met by merely listing them in the form of a "trade" or "demand" order similar to that of a purchase order. And conversely our claim on products manufactured by your people will likewise be stated in the form of a trade order.

Your continued use of currency at home would severely conflict with the simplicity of all trade arrangements that are now possible among nations. You should have no difficulty to match the expiry date of currency in your country with that of our own.

Have a good day, gentlemen.

The GLOBAL AGENDA of the Federation of Free Planets (Part 8 of 10)

Introduction by Reni Sentana-Ries, November 27, 2018

As human beings we are the sum total of ALL our past and future incarnations. Our words and deeds and attitudes in this life give testimony of it.

While I have no conscious remembering of having been Ezra, I must still say that the scrolls written by his hand lend credence to that suggestion.

From historical figures that I have gotten to know up to this point, I can with a clean conscience say I am like Lord Adonai, I am like Abraham, I am like Ezra, I am like Ceasar Augustus from the Roman Empire, I am like a judge who failed himself during the Middle Ages but paid a high price for his error in sound judgment, I am the consort of Queen Victoria, and I am the reincarnation of the murdered Czar Nicholas II of Russia.

*What follows is not just information for my Generals, but also for the general public. **I feel very strongly that the words I speak today are dismissed only at great peril of all who do so.***

Agenda Item 11: “Judgment Day” has arrived! (Part One)

2,400 years ago Ezra (myself) wrote into his scroll the following words as given to him by Lord Uriel:

(quote)

“...**the message will be about the end of the world** and the foundations (governments) of the world will understand that the voice is speaking about them.

They will tremble and quake because they know that **they will undergo a change when the end comes...**

The time is near when I will come to judge the people living on earth. I will punish those who have hurt others with their injustice...

This age which is about to pass away, will have the **final seal** put on it.

Then I will give the following sign: **the books will be opened across the sky for all to see** . The hearts and minds of people on earth will be changed. **Evil will be destroyed and deceit eliminated.** Faith will grow strong, **corruption will be overcome**, and truth which has not produced fruit for so long, will make itself felt again.”

(End quote).

At the time Ezra was warned to “not be so quick to raise **useless questions** in the present age; then you will not be so quick to do so in the final age.”

(“The Mancharians’ Newest Civilization” became the Q&A book of the “final age.”)

And when, according to ancient prophecy, would “Judgment” come? Ezra wrote:

(quote from text written 2,400 years ago)

“When you see that some of the signs I have told you about have appeared, you will know that the time has come when God Most High will bring judgment on the world he has created.

There will be earthquakes, national rebellions (revolutions, insurrections), international intrigues (conspiracies), unstable leaders (democracies, elections), and confused rulers (leaders who cannot understand why events unfold the way they do).

When you (Ezra) see these things happening, you will know that they are what God Most High has spoken about since the beginning of creation.”

(End quote).

With reference to events radiating out of America into the world Ezra wrote:

(quote)

“You saw the angry lion (the Lion of the Tribe of Judah) come roaring out of the forest (shed his disguise) and you heard it speak to the eagle (the United States of America) and rebuke it for the evil it had done (read the article “Curse on America”) and for all that it had said (lies, deception, betrayals).

The lion represents the Messiah whom God Most High has held back until the end. He will be a descendant of David (from the House of Judah) **and will come to speak to the rulers.**

He will rebuke them for their wickedness, their sinfulness, and their contempt for God’s ways. While they are still living he will bring them to judgment, condemn them for their sin and destroy them (strip them of their power).

But he will have *mercy* on the rest of my people, those who are left in my land. **He will set them free and make them happy (restore back to them their long lost paradise) until the end comes (evacuation day).**

(End quote).

“Judgment Day is final and sets the final seal on truth for all to see.”

(See Agenda Item 7).

It may as well have been a good thing that my own scroll of ancient times never made it into the canon of today’s Bible. There was too much truth in it for even religionists of the past to stomach.

IT SPARED MY OWN SCROLL FROM HITTING THE CHOPPER BLADES OF THE SHREDDER INTO WHICH ALL THE OTHER CANONIZED BOOKS OF THE BIBLE ARE COMMISSIONED!

The GLOBAL AGENDA of the Federation of Free Planets (Part 9 of 10)

Introduction by Reni Sentana-Ries, November 27, 2018

*Will anyone hold me guilty or narcissist if I speak truth about myself? I hope not. **My position is one which requires me to get through to you all lest I fail my mission.***

In that context please read from the record I wrote 2,400 years ago and be mindful of the references therein pertaining to the time we live in today.

(Quoted from my own record of October 2006):

**Judgment Day is here, and the only Judgment ruling this Day will be that of my own!
No religious book on earth will tell me how to conduct it, not even my own scroll of the past!**

Yet many trembling under the thunder of my words will be surprised to learn that Judgment Day is less about punishment for wrongs of the past than it is on forgiveness *for* those wrongs. To many this Day will see their “sins” of the past forgiven without the need

for anyone shedding blood as a “sacrifice” *for* those “sins”. Indeed, I want you people to begin purging this label from your minds.

From now on **be aware however of negative life expressions stunting your personal growth**, for you ought to prepare yourselves for entering worlds where the word “sin” is not even part of their vocabularies!

The **value judgment** on any deed of your past or any of your future will from here on out not be made necessarily by people around you, neither by society nor traditions, **but as you connect back to the inner godhood of yourselves, you then see and judge for yourselves whether proceeding with any intent will be either beneficial or detrimental to your growth or personal progression, and therein you find yourselves guided by an accurate understanding between right and wrong, which your own inner godhood is capable of giving you.**

Also develop the capacity to forgive yourselves for errors of your past and begin connecting to your inner higher selves!

But I warn some of you, there will be “sins” that belong outside of the category of instant forgiveness, and they will be judged by the universal measuring stick of acceptable and permissible conduct.

Also begin to grasp and understand the necessity of upholding the guidelines of **universal ethics**. When I say “universal”, that is exactly what I mean: **A STANDARD OF ETHICS ACCEPTED BY THE ENTIRE UNIVERSE OF LIGHTED BEINGS!** Your personal acceptance of that standard will open the doorways for you to become re-admitted into higher worlds existing beyond this earth.

Any conduct performed with intent of victimizing or inflicting injury on others is taboo by the universal standard of ethics and will be judged accordingly, where then **society is taking over to protect itself**.

When the generals get my word and follow my lead, they merely fulfill what was accurately foretold in my own ancient writing not found in your official Bible book:

(quote)

“But Judgment Day will be the end of the present age and the beginning of the future age.

“Then all corruption will end, self-indulgence and disloyalty will be eliminated. Righteousness and truth will reach their full maturity.

“So on Judgment Day no one will be able to have mercy on those who have been condemned, and no one will be able to harm those who have been acquitted.”

(End quote from the record of 2,400 years ago)

The GLOBAL AGENDA of the Federation of Free Planets (Part 10 of 10)

“...And the books will be opened!”

Introduction by Reni Sentana-Ries, November 28, 2018

*This final entry to the **GLOBAL AGENDA** deals with our need for a truthful understanding of mankind's history. **THE TRUTH IS OUT THERE** somewhere buried underneath 1000's of history books full of lies and half-truths, which are also lies.*

*And so I am asking my Generals to organize a global effort of seeking out **ALL** hidden historical records still available which will give us that truthful and rounded picture of **WHAT REALLY HAPPENED** while we were evolving here on earth up to the point we have arrived at today.*

It's a monumental task, I know, however it must be done in order for all of us to finally work ourselves out from underneath all the lies we have been told throughout centuries, and even millennia.

Agenda Item 17: And the Books Are Being Opened...!

(Taken from my records made in October 2006)

Good morning, Generals. **I want the historical record of the past set straight.** This is the ugliest assignment I have given you so far, however it needs to be done in order for the most accurate record of mankind's history we can possibly produce to go into the archives of the Akashic Records.

The match between the one we will create at the end of this age and the one which all participants have written by the hand of their own lives **should match as closely as possible the one which already exists scattered throughout the Akashic Records now.** You may compare it to defragmenting a hard drive.

1. From the general public I want men and women to come forward who wish to participate in this awful task: historians, scientists, anthropologists, laymen, laywomen, researchers, and so on, and who will then create many teams throughout many countries, to conduct an array of historical research of the past, past events, the rise and fall of kingdoms, the intrigues and treacheries of their leaders, the wars they conducted, the secret societies they formed, the monarchies they destroyed, the doctrines they invented to deceive the people, the economic and philosophical systems they created to control the masses, the schemes with which they plotted to overthrow righteous civilizations and societies, their names, the hierarchies of their power, the texts of secret covenants they wrote, their religions, and also the good deeds many did throughout mankind's known history.
2. As resources I want you to be given access to all major libraries of the world, all archives held by governments, museums and religious institutions.
3. I want Pope Benedict to secure the archival records of the Vatican until your teams arrive to work there, and I want you to have access to all records and translations of the Dead Sea Scrolls, classified or not. There also are the Society for Historical Review, the Canadian and Australian League of Rights and their archived books, NASA, the Pentagon, etc.
4. For example: we need the facts about the Tower of Babel,
5. the "wheel" Ezekiel described,
6. the Sumerian people and their records, their connections to the extraterrestrials,
7. Atlantean technology,
8. why technology became lost for so long,
9. the "pillar" of fire from Moses' days,
10. how the pyramids were built and by whom, and for what purpose,
11. who designed and constructed the monuments on Mars,
12. what was destroyed the surface of Mars, where has Mars' atmosphere gone and by what mechanism was it lost,
13. what are the facts of mankind's origin on earth,

14. why do we have different races, indicating a fallacy in the theory that all of mankind came from Adam and Eve,
15. are the theories of genetic evolution accurate,
16. are the “miracles” of Christ true,
17. how does prophecy come about which speaks of future events, where does it come from,
18. who invented religion and instituted the abomination of animal sacrifice,
19. the truth about Moroni,
20. who lied about the alleged need for innocent human blood as payment for others’ “sins”,
21. who were the “gods” that demanded to be “worshiped”,
22. why are we not told the facts of reincarnation and that of our own godhood potential,
23. why are we being forced now to throw religion into the trash bins of mankind’s screwed-up history after millennia of human suffering from lack of understanding,
24. which catastrophes were caused by interplanetary conjunctions, and what planets were involved,
25. how did the asteroid belt come into being,
26. is time travel possible, and if so, why;
27. why did the God of Moses condone money and then says: “Look after the poor!” if even then money was at the root of all poverty;
28. who was Moses’ “God”,
29. why so many wars,
30. and why was the library of Alexandria burned to the ground?
31. I want the truth about Pearl Harbor,

32. the Russian Revolution,
33. the wars of Europe,
34. the Fall of Rome,
35. the Jewish Holocaust,
36. why does man oppress woman,
37. the Kennedy assassination,
38. the massacres of the Palestinians and the Armenians,
39. depleted uranium and its consequences from use in warfare,
40. why and how did the towers of New York come down,
41. atomic underground tunneling,
42. the reintroduction of torture in modern times,
43. the origin and purpose of freemasonry,
44. the Illuminati,
45. all revolutions,
46. extraterrestrial captives and how they have been treated by the established elite,
47. and anything else you may find important for us to understand why and how events of the past unfolded the way they did.

I hope you have time enough to finish this work before conditions on this planet call for our global evacuation. **Before we leave this planet we need the “air we breathe” cleared of all misconceptions. Here the teams must learn to emotionally detach themselves from the information they find and proceed on that basis.**

When the research is done and the picture of humanity's past is clear, the purpose of this exercise is fulfilled and we can then move on with worlds of bliss we create for ourselves, having thoroughly learned from the mistakes of our past.

To facilitate a free flow of information from the work of these teams back to the people, I want all teams to have full access to the internet, operate their own websites where they will publish condensed reports of their findings, interlink with each other, and for the purpose of reaching all people everywhere with their information we must now aim to provide every household with the opportunity to have connection to the net.

Thank you, Generals, for your attention. You are now dismissed.

The Federation of Free Planets' Pathway to Paradise –

THE SECURITY PANEL

(Written by [Reni Sentana-Ries](#), October 2006)

1. Internal Structure

- a) The national SECURITY PANEL consists of 12 men and 12 women per nation.
- b) The qualifications of these members are given under the link called **“Qualifications.”**
- c) All members are equal including their chairman or chairwoman.
- d) The panel regenerates from within, meaning each new member is chosen by themselves, using identical qualifications as described under “Qualifications” from the public in the event of a member's death, incapacitation, or expulsion for inability to be of one mind with all. The 12x12 ratio must always be maintained.
- e) During the meetings, being seated around a round large table or a set of curved tables placed side by side into a large ring, each male member must be flanked by two female and vice versa. They must be seated alternately.

f) Chairman rotation is not obligatory.

2. Powers of the SECURITY PANEL

All powers of this Panel pertain to security only. All decisions by the SECURITY PANEL must be unanimous. The Panel's powers are:

a) To direct all security operations conducted by the wing of the armed national police force in charge of security only. Therefore the security wing of the armed police force is not accountable to the national government or its president, but to the SECURITY PANEL.

b) The SECURITY PANEL directs and oversees all operations of the national military force. (Revised January 31, 2016)

c) The SECURITY PANEL has power to remove out of office any official holding either substantial or regular public trust who acts in contradiction to the spirit of oneness by undermining the paradisiacal economic environment of the people or is disruptive in conduct to the peace among people.

d) The SECURITY PANEL appoints all officials into offices as holders of substantial public trust. Their selections are for life until they choose to step out of office at their own discretion or become incapacitated in the opinion of the Panel. See under "Interpretations" to identity holders of the office of substantial public trust.

e) The SECURITY PANEL will assure that no people living under the paradisiacal order will enjoy preferential status above that of the people as has been the case with family lines that were considered "royal." Paradise has no "royals" living in them, only people living in a oneness of mind. (Revised January 31, 2016)

3. Accountability of the SECURITY PANEL

Unlike any other person holding public office, the 24 members of the national SECURITY PANEL are accountable to the **High Council of the Federation of Free Planets**. (Revised January 31, 2016)

4. Identification of the SECURITY PANEL members

Each member of the SECURITY PANEL is given a badge of authority and an identifying feature on their clothing. The replacement of persons must accompany a document signed by all members stating reasons for dismissal from public office and be delivered by no fewer than three SECURITY PANEL members, showing their badges and being accompanied by one or more armed security police officers. No removal of persons from office will be accompanied by charges, trials or punishment, and no Panel's decision is subject to an appeal.

5. Security arrangements for large nation states or empires (Revised January 31, 2016)

It is impossible for one SECURITY PANEL alone to handle all security matters occurring in large nation states. In those cases the jurisdictions assigned to the Panel can be divided by geographic area and function.

a) Dividing a national SECURITY PANEL in geographic areas of jurisdiction.

The Panel has the power to divide the nation's land mass into two halves of approximately equal size using provincial or state boundaries. One half it retains for itself and the other half is then assigned to a newly created Panel appointed by themselves, where each new member is subjected to the screening process under "Qualifications". Should the two newly created areas still be too large to manage, then a further division of geographic area, using the same procedure, becomes necessary. No Panel has the right to divide the nation or a zone up into more than two geographic areas at a time. All such decisions by the Panel must be unanimous.

b) Dividing a national SECURITY PANEL by function.

The moment a nation state or large empire is out of necessity compelled to begin dividing its land mass into 2, 3, 4, 5, 6 or more zones, it becomes necessary for the very first established SECURITY PANEL to also divide its function. The two functions are:

- (1) to direct the operations of the armed wing of the security police force, and direct the military.
- (2) To assign qualified persons into offices of substantial public trust, and to remove persons holding either substantial or regular public trust where removal is warranted.

In that case, upon the first division of a nation state into two zones, the fallout from that division will result in three SECURITY PANELS of 24 members each. Two Panels would look after jurisdiction (2) described as a "function" and one Panel would focus its attention unencumbered by other responsibilities on jurisdiction (1), also described as a "function".

No official holding an office of substantial public trust has the right of access to any national SECURITY PANEL except for the solicitation of advice. (Revised January 31, 2016)

6. The Power of Dissolution

Just as a SECURITY PANEL has the power to divide its jurisdictions in half by creating new Panels, so does it have the power to dissolve itself where the workload no longer justifies its existence. This however must only be done in agreement with another Panel which is willing to take over the additional work load left behind by the outgoing one. When the number of SECURITY PANELS is back down to one per nation, no further dissolution is allowed.

7. Redundancy of National Elections

The presence of a national SECURITY PANEL and its powers makes national, provincial, state & civic elections unnecessary as **persons are being selected** into positions of substantial public trust.

8. Tools of the SECURITY PANEL

ALL SECURITY PANEL members are expected to keep themselves informed of what is going on in the country. Their resources are technically unlimited:

- a) information gleaned by intelligence agencies.
- b) Information gleaned by the armed security police force.
- c) Radio, television, newsprint information and books, i.e. "Secret Societies," etc.
- d) complaints filed by the public
- e) regular contact with officials chosen by the Panel.
- f) regular contact with officials holding regular public trust.

g) the internet,

No Panel member is to be kept on a “leash” in the responsible execution of his or her duty. Unlimited travel must be allowed. No person or agency has the right to withhold information demanded by a SECURITY PANEL member.

All members of any Panel have the right to unlimited communication with any other panel member anywhere in the world. Internal communication among members via internet is encouraged. All members have the right to armed guards for protection if they feel that is necessary.

9. Conflict Resolution

In the event of a deadlock at any SECURITY PANEL, the issue can be brought before myself for conflict resolution. This move must not be considered a threat to Panel members holding a dissenting voice. A person’s conscience we respect.

We discern between a natural difference of opinion and the abandonment of a spirit of oneness. No member is obligated to go against his or her best discernment of what is right or wrong when a certain path of action is under consideration.

Conflict resolution can also be attained through the liberty each Panel member has to consult with any other Panel or member anywhere in the world. There will be no restriction on flow of information from one Panel to another. No Panel is an island all by itself. No mission or initiative any member embarks on will be considered a waste of time or effort. It will be looked upon as a “labour of love” in the best interest of the people.

10. Limitations to the Power of a National SECURITY PANEL

a) No surveillance will be permitted within the confines of a private home. Surveillance of telephone calls (wireless or land) will not be considered an encroachment on privacy to persons placed under it, even if made from a private home.

b) No SECURITY PANEL may dictate any form of punishment or restrictions on individuals caught in the dragnet of surveillance. A Panel's power of removing persons out of offices of public trust is not considered a form of punishment.

c) No Panel has authority outside of its own designated zone of jurisdiction. It may not interfere with decisions made by officials holding offices of substantial public trust except give notification of its disagreement. Its only power of interference is the potential removal of those officials if it deems it necessary. Any Panel may pass on advice to a leader if asked to do so, however the advice must be based on the Panels' unanimity.

11. The SECURITY PANEL vis-à-vis the Armed Security Wing of the National Police Force.

a) The Panel issues mandate and guidelines for all aspects of security surveillance to the police force and their agents, including directives to the bearing of arms or that of non-lethal weapons.

b) The Panel will select leading officers for only one level into the hierarchy of the security police as well as that of the regular police force in accordance with requirements as outlined under "Qualifications."

c) Police personnel below the first level of hierarchy will be selected under "Qualifications" requirement by the lead officer who was selected by the Panel.

d) The Security Police Force are given the highest state-of-art surveillance equipment and training, and has the right of choice to give notice of surveillance on individuals and groups or not. This freedom is for the purpose of fairness to persons under surveillance balanced with a public's right to effective surveillance.

e) Individuals caught in an attempt of undermining the economic order of paradise by means of plotting in secrecy and found in organizing armed insurrection against the new order must be handed over into military custody where I will consult with my generals, and we will then decide on all matters of justice for them.

12. The SECURITY PANEL vis-à-vis the Military

a) No general is under obligation to obtain permission to use deadly force when attacked by surprise, or if he has reliable information leading them to pockets of armed revolt against the

order of paradise. The latter requires a detailed report back to the SECURITY PANEL, and a copy of the report must go to myself.

b) The Panel will assess military strength requirements and make adjustments as required.

c) The Panel will decide on the type of weapons eligible for deployment.

d) The Panel will order the **dismantling or destruction of all mini nukes, A-bombs, H-bombs, chemical weapons, biological weapons, depleted uranium ammunitions and bombs, daisy cutter bombs, cluster bombs, and land mines as soon as global consensus among all SECURITY PANELS worldwide has been obtained. The dismantling of this hardware will occur simultaneously.**

13. Initial Assignment from the SECURITY PANEL

In all likelihood a SECURITY PANEL's main work load will consist of guiding and directing the affairs of the armed wing of the national police force in charge of security and surveillance. Initially I want the SECURITY PANEL to instruct surveillance on...

The Global Agenda calls for STRUCTURAL CHANGES TO GOVERNMENTS

Introduction by Reni Sentana-Ries, December 3, 2018

The affair of running a nation is under New Era rules no longer "business as usual" because allowance is being made for the human intellect to be creative IN THE POSITIVE, where motivation for "law-makers" (so-called) choices is no longer MONEY!

In this report I am showing a reproduction from my two webpages <http://freeearthssystem.net/> and <http://starshipfederation.atspace.co.uk/...> . It's meant for all those folks who freely browse around in my Facebook page, but never go into my two websites.

The text following text I developed in 2006.

STRUCTURAL CHANGES TO GOVERNMENTS

1. The selection of persons into offices of substantial public trust by the SECURITY PANEL makes general elections obsolete.

National, provincial and state governors, presidents and prime ministers, premiers and mayors of cities and towns above 24,000 residents must all be appointed by the SECURITY PANEL. Their teams or cabinets are chosen by the appointed administrators.

All presidents, prime ministers, premiers, governors and mayors are accountable firstly to the SECURITY PANEL.

When the time comes and I depart, my Office will go with me.

2. All houses of elected members like the Congress, Senate, Duma or Bundestag will be disbanded and its men and women be replaced by two or more appointed representatives from each region who have gone through the screening process as explained under “Qualifications”, and who then may become a pool of resource for appointments by the appointed head of state.

His or her drain from this resource pool as appointed officials will make it necessary to replace those regional individuals by new appointments for those houses, so that the number of regional members is always proportional to the number of regions in the country.

3. With regard to the justice system It is my opinion that in a paradisaical environment it will be impossible for the justice system to retain its present shape. Many laws will become redundant, eliminating avenues for violation. I want society to assign wise, fair, and honorable men and women into positions of trust as judges in cases where disputes still occur. Set up a council for the purpose of restructuring the justice system to adjust it to the new conditions.

I also fail to see the need for continued forced incarceration except in cases of violence causing bodily harm or property damage. Find a fair system where victimizers are given the opportunity

to make restitution for harm or damage done. Rulings must be consistent with the public's right to safety. Let verdicts cease to bear the nature of punishment and assume the character of rehabilitation, which includes the seeking of relief for a person's troubled mind. The temporary loss of certain rights or privileges (luxury, wealth, travel, transportation, etc.) would be acceptable where public safety is not at risk.

4. Constitutions.

a) Constitutions define structure and powers of governments and their respective areas of jurisdiction.

b) I want to see the formation of a panel of enlightened men and women to re-write the constitution reflecting the preferred structure of Government consistent with my own requirements for a paradisaical system.

National or ethnic uniqueness in a constitutional structure is no violation of the principle need for oneness among all human beings. The model presented here under 2. is one of perhaps many options.

5. Human Rights.

a) The Declaration of Universal Human Rights of the United Nations is a good starting point for a review of fundamental rights for all under a paradisaical economic system.

b) Similar to 4. (b).

6. Legal Rights.

a) The application of fundamental justice equally granted to all and blended with all human rights and constitutions should leave no human being behind with a feeling of having been dealt with unfairly by a reformed system of justice.

Should you feel the need for putting legal rights into the framework of a written bill, then feel free to do so. In that case follow the advice as given under 4 (b) with regard to legal rights.

b) All persons selected under 4., 5. and 6. must pass the screening process under the link "Qualifications."

THE UNITED NATIONS

I want the Secretary General of the United Nations to remain in his office for life unless he chooses to step down at his own volition.

We can now proceed to *dismantle the Security Council*, for from here on out it is the enlightened ones who will guarantee the security of the nations.

The General Assembly however has enormous potential for displaying unity among its member states, and therefore it may remain intact. **Its members must meet the requirements as laid out under “Qualifications.”**

Many auxiliary organizations of the U.N. will become redundant. The Secretary General and I will discuss all issues around a necessary restructuring of the United Nations, and as soon as we have reached a consensus you will hear about it.

QUALIFICATIONS

Introduction by Reni Sentana-Ries:

The series “Restoring Paradise” is a reproduction here on Facebook from my websites <http://freeearthssystem.net/> and <http://starshipfederation.atspace.co.uk> . It’s meant for all those folks who freely browse around in my Facebook page, but never go into my two websites, and by doing so do not understand the purpose of my own and Uthrania’s public appearance at this time in mankind’s troubled history.

*Do not be offended if I base the authority of my words **on an Office I hold vis-a-vis the people** and their need for restoration back onto true dignity. For that I make no excuse because the validity of my claim does not depend on anyone’s recognition or approval.*

The text following was developed in 2006.

QUALIFICATIONS

1. Qualifications for the selection of a SECURITY PANEL Member

A SECURITY PANEL member must...

- a) be a dedicated supporter of the changes undertaken to convert this messed-up world into a new one where a paradisiacal condition is restored back to the people.
- b) Have the ability to unite in agreement with others without compromising on principles of justice and fairness, and be able to merge into a oneness of mind with others.
- c) Not be a respecter of person in matters of right and wrong.
- d) Be consistent in righteousness.
- e) Be willing to travel and attend meetings as they are called for (May be accompanied by a spouse on trips).
- f) Be able to read and write

g) Be prepared to answer to his or her next level of authority upward.

- h) Does not apply.
- i) Does not apply.
- j) Be 21 years or older
- k) Same as 1(k)
- l) Have training in his or her field of expertise pertaining to the office.

MY FINAL WORD OF CAUTION (futuristic)

Preamble:

The series “Restoring Paradise” is a reproduction here on Facebook from my websites <http://freeearthssystem.net/> and <http://starshipfederation.atspace.co.uk/...> . It’s meant for all those folks who freely browse around in my Facebook page, but never go into my two websites, and by doing so do not completely understand the purpose of my own and Uthrania’s public appearance at this time in mankind’s troubled history.

*Do not be offended if I base the authority of my words on an Office I hold vis-a-vis the people and their need for restoration back onto true dignity. For that I make no excuse because **the validity of my claim does not depend on anyone’s recognition or approval.***

The text following was developed in 2006.

(Military Generals, please make these Final Words of Caution worth more than just the ending of a good movie out of Hollywood!)

My Final Words of Caution:

To the peoples and nations of this earth do I speak a final word of caution. It is also a warning to you and your children, and **to this warning you must give your highest**

possible unrelenting priority. Day and night your security forces must remain vigilant.

I want the people to demand from your governments and councils regular reports back to them on the status and quality of a surveillance on which the continuation of your paradisaical liberty depends. Now take this to heart: In the past you were not united with your brother, you were fragmented. You failed to seek your brother's welfare. To you he was competition to be outsmarted, to be taken advantage of, to be exploited as a labour force, to be killed in wars when you were ordered to or when it suited your egocentric interests, to be betrayed if you could get away with it, to steal from and to see him gone rather than have him for a friend. **THAT WAS YOUR MISTAKE! YOU WERE NOT ONE WITH YOUR BROTHER; AND LADIES, YOU WERE NOT ONE WITH YOUR SISTER!**

And in that condition of mental fragmentation of one human being from another you did not realize that you were surrounded by a people who understand the power of oneness and acted accordingly. You were large in number and they were small, you were fragmented but they were united and acted as one, and so you were conquered and became their slaves.

For thousands of years they lived among you, keeping you in disarray, toil, blood and agony. They controlled every aspect of your miserable existences, and you did not know them, neither did you know what they were doing, and you even came to their defense when they claimed rights for themselves which you were denied!

They gave you religion and you fell for it, they gave you governments which you never controlled, they gave you laws to limit your rights and freedoms, above which they exalted themselves, they took your gold and gave you paper, they gave you money to assure your poverty, they fed you lies and you devoured them all! And here is the secret of their power: THEY ARE ONE AND YOU WERE NOT!! BECOME ONE AS THEY ACTED AS ONE PEOPLE AGAINST YOUR INTERESTS, AND YOU WILL NEVER AGAIN BECOME THEIR SLAVES!

I said: Put them under perpetual surveillance! To assist you in that effort I have given you a national **SECURITY PANEL** of 12 men and 12 women, endowed them with the power of oneness and passed onto their shoulders the awesome responsibility of

keeping your paradise safe from predators and conspirators. I have made them in charge of all security forces and the military as tools to carry out their mandate! Oneness have I made to them a mandatory condition before their decrees can be carried out. Never in the known history of man have ever nations and peoples been governed by authority placed under such a tall order for effecting its decisions. This I have done to guarantee the safety of your new-found liberty in perpetuity and instill upon you a feeling of being secure. Support them and be one with them. Be one people from here on out for the foe is still among you who in the past took action in its own separate oneness against all your interests and made a hell out of all your surroundings. Remember though one thing: Their oneness was in secrecy, but yours must be natural and evident to all. Understand that oneness is a state of being, and less one of doing. Do not permit secret combinations to rise up in your midst to rob you of your life essence. **Their tools of money and religion were only two of many you so readily fell for.**

I have given your freedom back to you, and returned to you control over the destiny of your own lives. But I assure you of one thing: what I have done for you this time I will never repeat, for I have my own happiness to pursue, one which I fail to identify in a struggle for liberties which you lose for failing to be One.

Your price of freedom is eternal vigilance, but to that vigilance you must now add your new-found oneness with your brothers and sisters all over the world, and then you will become what creation always expected you to be: a free people, worthy of experiencing perpetual joy, and only then will your reclamation remain an ongoing record of success.
